There will be a doorbell for you to ring. Staff will come and allow your child in at drop off. At pick up, your child will be walked to the door for you, and you will sign your child out. (Please always bring ID)

<u>Western:</u> Drop off and pick up are to the right of the building. Go to the cafeteria door first; if the children are not there they are in the gym or playground. Staff will keep an eye out and have their site phone with them. At pick up, your child will be walked to the door for you, and you will sign your child out. (Please always bring ID)

YMCA: Pick up is at the YMCA building; on nice weather days, they may be at St. Francis Field in the afternoon. There you can sign your child out. (Please always bring ID)

**PICK UP POLICY** Children must be picked up by an adult. Parents must sign their child out at time of pickup. Please list all people allowed to pick up your child on the registration form and advise them they will need to show ID. If a parent is not allowed to pick up a child, a court order must be attached to the registration form. Dismissal is at 6:00. A late fee of \$5 will be charged for every 5 minutes you are late. Two staff ages 18 or over will remain with the child. IF you are unable to be reached at your contact numbers, we will attempt to call the emergency contacts listed. If the child is not picked up by the parents or an emergency contact by 7:00, we are mandated by the state of CT to contact the Naugatuck Police Department and DCF.

**PAYMENT POLICY** Payments are due the 25<sup>th</sup> or 26<sup>th</sup> of the month prior to scheduled care. Save your receipts for tax purposes. All accounts must be kept up to date in order to stay active in any of our YMCA programs. Failure to pay will result in a referral to a collection agency. You will be responsible for attorney fees, court costs, and any other cost associated with this debt. There is a \$30 returned charge fee. We do accept Care4Kids. Program Financial Assistance is also available for those who qualify. Families mut apply for Care4Kids before financial assistance is given.

**WITHDRAWALS** 2 weeks advanced notice must be given when withdrawing or schedule changing. All families failing to provide this notice will be responsible for 2 weeks' payment following the withdrawal. If the program is cancelled due to weather, there will not be a refund for the closing.

**MEDICATION** Prescribed emergency medication will be the only medication administered by the trained staff in our program. All other medication should be dispensed at home or by the school nurse prior to dismissal. A trained staff will be on site at all times when a child who may require medication is in our care. Medication must be in the original container with dated current labeling that includes pharmacy and name of prescribing physician. Forms needed include: written order of med. administration from an authorized provider with parent signature; emergency health care plan; asthma action plan; individual plan of care; epi-pen administration permission. **All forms are valid for only one year, from the date it is signed.** Emergency and controlled medications are stored in a locked cabinet at the child's care location. Thorough hand washing is expected. Staff will always wear gloves when dispensing or handling medications. If medications are administered, the date, time, dosage, and comments will be recorded on the child's individual administration of medication record. The information will be logged in our medical incident log for review by our consulting physician if necessary.

**ATTENDANCE** Attendance will be taken on a daily basis; please call or text your child's location contact number if your child is going to be absent (contact numbers listed above). We will be expecting your child if we do not receive a call saying otherwise. It is important to let your child's school know as well. There are no fee adjustments for missed days.

**HEALTH AND ILLNESS** If your child becomes ill, parents will be called first. If we are unable to reach a parent, we will call the emergency contacts (two emergency contacts, other than the parent(s), per child must be listed on your registration form). The child must be picked up within an hour of the call. Sick children will be supervised away from other children and made comfortable while waiting to be picked up. Please keep your sick children home—this will help prevent the spread of infection or illness among children. Children should be kept home if they have experienced any of the following within the past 24 hours: a fever of 100 or more; a runny nose with green or yellow discharge; diarrhea; vomiting or nausea; unidentified rash; any contagious disease or condition including but not limited to conjunctivitis, chicken pox, impetigo, lice, or severe cough/croup.

Please notify the YMCA if your child has developed a contagious disease. If a child develops these symptoms while at our program, we will call the parents or authorized pick-up person to take the sick child home.

**INJURY AND ACCIDENTS** If your child is injured while at before or after care and more than first aid is required, 911 will be called first. Then, every effort to contact the child's parent or legal guardian will be made. Emergency transportation will be provided by emergency service vehicles only. Treatment will try to be secured at the hospital of choice.

**DISCIPLINE AND BEHAVIOR** The YMCA uses positive discipline techniques for guiding children. Avoiding competition, comparison, and criticism, staff members will deal with children using positive methods of guidance including redirection, anticipation, and elimination of potential problems, as well as positive reinforcement and encouragement. Discipline techniques are to be non-punitive and accompanied by rational explanation of expectations. At no time may the staff use corporal punishment or any other humiliating or frightening discipline techniques. The withholding of food may not be used as a consequence of behavior at any time. The program operates based on clear and consistent rules, which are explained and understood by the children. Difficult behavior is routinely anticipated, activities are redirected, and alternate behaviors are discussed with children. At no time is neglect or abuse of children tolerated. Removal of a child from the group for disciplinary or health reasons will be to a location where at least 2 staff members may maintain visual supervision. Parents can discuss the discipline policy with the staff. The following procedures will take place:

- The child will be given a verbal warning and redirected to another activity.
- If inappropriate behavior continues, the child will be encouraged to talk it out with a staff.
- Whenever there is a serious concern about a behavior or discipline problem, the staff will inform
  the parents. The staff and family will meet to develop plans to resolve the behavior and
  communication will be offered daily.
- In the event that a recommendation is made for the child to receive an assessment from local health education or mental health services, the parent agrees to provide the results of the assessments to the center. (Any costs relating to these services are the responsibility of the parent).
- If the above actions have not resulted in improved behavior from the child, written notice will be given to the parent/guardian to remove the child from the program for a determined period of time. During this period, the YMCA staff will continue to work with the parent/guardian and child on behavior modifications.
- The YMCA reserves the right to remove any child who may pose a danger to themselves or other children in our setting. Efforts will be made to recommend an appropriate placement for the child.
